Section 2.2. Funding. Subject to the terms of this Article II, the Declarant, for each Lot owned within the Property hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Such assessments will remain effective for the full term (and extended term, if applicable) of the within covenants. The annual and special assessments, together with interest, costs, and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. The personal obligation for delinquent assessments shall not pass to the successors in title of such Owner unless expressly assumed by them.

Section 2.3. Annual Assessment or Charge

a. Units Owned by Class A Members. Subject to the terms of this Article, each Lot is hereby subject to an initial maximum maintenance charge of Three Hundred and No/100 dollars (\$300.00) per annum (until such maintenance charge shall be increased as provided in the Bylaws of the Association.), for the purpose of creating a fund to be designated and known as the "Maintenance Fund", which maintenance charge and annual assessment will be paid by the Owner or Owners of each such Lot in advance in monthly, quarterly or annual installments, commencing as to all Lots on which a completed Unit is then located on the conveyance of the first Lot to a Class A member and as to all other Lots as of the occupancy or sale (whichever is earlier) of a Unit thereon. The rate at which each Lot will be assessed, and whether such assessment shall be payable monthly, quarterly, or annually, will be determined by the Board of the Association at least thirty days in advance of each affected assessment period. Said rate may be adjusted from time to time by the Board of Directors as needs of the Association may, in the judgement of the Directors, require pursuant to the Bylaws. The assessment for each Lot shall be uniform except as provided in Subsection b of this Section 2.3. The Association shall, upon written demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether or not the assessment has been paid for the assessment period.

b. Units or Lots owned by Declarant. Notwithstanding the foregoing, the Declarant and any Builder owning Lots or Units that are not occupied shall be exempt from the annual maintenance assessment charged to Owners so long as there is a Class B membership as set forth in Section 2.6, and Declarant hereby covenants and agrees that, in the event that the annual maintenance funds revenues are insufficient to pay the operating expenses of the Association, it shall provide the funds necessary to make up the deficit, within thirty (30) days of receipt of request for payment thereof from the Association, provided that if the deficit is the result of the failure or refusal of an Owner or Owners to pay their annual maintenance assessments, the Association shall diligently pursue all available remedies against such defaulting Owners, including the immediate

c. **Purposes of Maintenance Fund.** The Association shall establish a Maintenance Fund composed of Owners' annual maintenance assessments and shall use the proceeds of such fund in providing for normal, recurring maintenance charges for the Common Maintenance areas for the use and benefit of all members of the Association. Such uses and benefits to be provided by the Association may include, by way of clarification, and not limitation, any and all of the following: normal, recurring maintenance of the Common Maintenance area (including, but not limited to, mowing, edging, watering, clipping, sweeping, pruning, raking, and otherwise caring for existing landscaping and the improvements to such Common Maintenance Areas, such as sprinkler systems, provided that the Association shall have no obligation (except as expressly provided hereinafter) to make capital improvements to the Common Maintenance areas; payment of all legal and other expenses incurred in connection with the enforcement of all recorded covenants, restrictions and conditions affecting the property to which the Maintenance Fund applies; payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance charge and assessments; employment of policeman and watchmen, if any; caring for vacant lots; and doing any other thing or things necessary or desirable in the opinion of the of the Board of Directors of the Association to keep the Property neat and in good order, which is considered of general benefit to the Owners or occupants of the Property, it being understood that the judgement of the Board of Directors in the expenditure of said funds and the determination of what constitutes normal recurring maintenance shall be final and conclusive so long as such judgement is exercised in good faith. The Association shall, in addition, establish and maintain adequate reserve funds for the periodic maintenance, repair and replacement of improvements to the Common Maintenance Area. The fund shall be established and maintained out of regular annual assessments.

Section 2.4. Special Assessments for Working Capital Fund, Nonrecurring Maintenance and Capital Improvements. In addition to the annual assessments authorized above, the Association may levy special assessments as follows:

a. On and after July 1, 2003, upon the first sale of a Lot to a Class A Member, a special assessment equal to three (3) months' estimated regular assessment may be assessed which shall be due and payable upon conveyance of the Lot to a Class A Member.

b. In any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon any Common Maintenance Area, including fixtures and personal property related thereto may be assessed. The Association shall not commingle the proceeds of such special assessments with the Maintenance Fund. Such proceeds shall be used solely and exclusively to fund the nonrecurring maintenance or improvements in question.

c. Special assessments shall not be effective unless approved by a vote of two thirds (2/3) of each class of member.

Section 2.5. Non-payment of Assessments: Remedies of the Association. Any assessment not paid within ten (10) days after the due date shall bear interest from the due date at the lesser of (i) eighteen (18%) per annum, or (ii) the highest rate of interest allowed by Texas law from time to time. The Association shall have the authority to impose late charges to compensate for the administrative and processing costs of late payments on such terms as it may establish by duly adopted resolution and the Association may bring an action at law against the Owner personally obligated to pay the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non use of the Common Maintenance Areas or abandonment of his property.

Section 2.6 Subordinated Lien to Secure Payment. To secure the payment of the maintenance charge and assessment established hereby and to be levied on individual Lots as above provided, there is hereby reserved a lien for the benefit of the Association, said lien to be enforceable through appropriate proceedings at law or in equity; provided, however, that each such lien shall be specifically made secondary, subordinate, and inferior to all liens, present and future, given granted, and created by or at the instance and request of the Owner of any such Lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any Lot upon which there is an outstanding valid and subsisting lien, said beneficiary shall give the holder of such mortgage lien sixty (60) days written notice of such proposed action, such notice to be sent to such mortgage lienholder by prepaid U S registered mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such mortgage lienholder, said beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such mortgage lien to the holder thereof. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale, foreclosure or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof. The Association shall have the right to file notices of liens in favor of such Association in the Real Property Records of Bell County, Texas.

Section 2.7. Voting Rights. The Association shall have two classes of voting membership:

a. **Class A.** Class A members shall be all Owners with the exception of Declarant and any Builder and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members, but the vote for such Lot shall be exercised as they among themselves determine, and in no event shall more than one (1) vote be cast with respect to any Lot.

b. **Class B.** The Class B members shall be the Declarant and any Builder who shall be entitled to three (3) votes for each unoccupied Lot they own. The Class B membership shall cease

and be converted to Class A membership one hundred twenty (120) days after the conveyance of the Lot which causes the total votes outstanding in the Class A membership to equal the total votes outstanding in the Class B membership, or ten (10) years after conveyance of the first Lot to a Class A Member, whichever occurs earlier. Class B membership shall be reinstated at any time before the expiration of ten (10) years from the date of conveyance of the first Lot if additional Lots owned by a Class B member are annexed into the Association in sufficient numbers to restore a ratio of at least one Class B Lot to each three Class A Lots in the overall area subject to the Association.

c. **Suspension.** All voting rights of an Owner shall be suspended during any period in which such Owner is delinquent in the payment of any assessment duly established pursuant to this Article II or is otherwise in default hereunder or under the Bylaws or Rules and Regulations of the Association.

Written notice of any meeting called for the purpose of taking any action authorized herein or in the Bylaws shall be sent to all members, or delivered to their residences, not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At any such meeting called, the presence of members or of proxies entitled to cast two-thirds (2/3) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement provided that the quorum requirement for such subsequent meeting shall be one-half (1/2) of the quorum requirement for the previous meeting. The Association may call as many subsequent meetings as may be required to achieve a quorum. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
